GOODLIFE 2/2024 IT'S ALL ABOUT:

SELFNESS ...

... is a term used in personality development. Through self-awareness and self-care, we play an active and long-term role in our own positive change process. The design industry and the hotel sector have also discovered this new trend and are gearing their concepts to the new customer needs.

Are you also focusing on SELFNESS? Then it would be a shame not to send any suggestions ...

SPECIAL TOPICS:

CULINARY: The coolest locations for a special taste experience.
